

# HEALTH IT AND DELIVERY SYSTEM TRANSFORMATION SUMMIT TUITION SCHOLARSHIP APPLICATION

The National Health IT and Delivery System Transformation Summit is offering a limited number of full or partial Tuition Scholarships to qualifying representatives of government agencies and non-profit organizations, including State Medicaid Directors, State Health IT Coordinators and other state leaders; community-based organizations; community health centers, consumer groups; federal agencies involved in delivery system innovation and health IT; regional extension centers; rural and critical access hospitals, and providers serving the underserved.

A variety of factors will be considered in determining the issuance of a scholarship. These factors include financial need and the desirability of geographic and organizational representation at the Summit. Funding for scholarships is limited.

Support for the Tuition Scholarship Program has been provided by the Center for Health IT Policy ([www.CenterforHealthITPolicy.org](http://www.CenterforHealthITPolicy.org))
